

SCHOOL FEES

FEE POLICY AND FEE WAIVER POLICY

Promontory will follow all state rules related to charging school fees as outlined in R277-407. No fees will be charged for students in grades K-6. In grades 7-8, minimal fees may be charged, subject to prior board approval and state rule limits. Fees may include lockers, towels, yearbooks, clubs, travel, extracurricular activities, certain materials and supplies, musical instrument rental, calculator rental, etc. Charges related to the National School Lunch Program are not considered fees.

All school fees will be set annually by the governing board in an open public meeting. Fees will be set at or below levels as approved in Utah statute. The fee schedule will be posted and distributed to all parents or guardians annually.

Students may apply for a waiver of any school fees. Fees will be waived for the following students:

- Students eligible for free school lunch.
- Students who are in state custody or foster care.
- Students whose families are receiving public assistance through the Family Employment Program (FEP) from the Utah Department of Workforce Services.
- Students who are receiving Supplemental Security Income (SSI).
- Students whose families are financially unable to pay because of exceptional financial burdens beyond the family's control; these determinations are made on a case-by-case basis by school administrators.
- Student who qualifies for McKinney-Vento

The fee schedule for the 2026-2027 school year will follow the policy above. At the beginning of the school year, fee waiver applications and Declaration of Household Income forms will be made available through Aspire.

Parents or guardians may request a fee waiver by submitting a completed application form to the school office prior to the applicable fee due date. Promontory is committed to ensuring that the process is clearly communicated, accessible to all families, and supported by staff assistance as needed.

The fee waiver process is administered fairly, objectively, and without delay. It is structured to prevent stigma or undue burden on families and includes safeguards to ensure applicants are not overtly identified. Students are not involved in the collection of fees or in any aspect of the waiver process.

While an appeal is under review, the requirement to pay the fee is suspended, and no penalties or restrictions will be imposed on the student.
