School Improvement Plan

Instructional Support

- Student Led Conferences were held last week.
- Plans in place for end of year RISE testing - April 22nd-May 8th.
 - Planning events to keep students engaged with testing and get excited to show what they know!
- Progress team putting together a plan to increase writing skills.
- Starting the ELA process for Essential Targets.
 - We worked on this process for math this school year.
- The Administrative Team spent important time reviewing the school improvement plan this past month.
 - As we went over the SIP, we noticed that some of the tasks slated for years 2 and 3 are already underway. We also noticed that a few things for the plan this year will more likely be accomplished next year. We began to explore preliminary plans for next year to continue to move forward.
- The Administrative Team worked with WestEd (a contractor from the state) to examine how best to support our school improvement efforts.

Professional Development

- Professional Development
 - Ethics of Excellence by Ron Berger, rooting our teaching practices in core Expeditionary Learning concepts
 - Aide Training on recess safety presentation by Student Government
 - Teachers and Aides provided Purple Star School training
- Our State Safety Rep let us know that we could move our reunification drill to the beginning of next school year
- Completed Mid-Year Check-Ins with teachers and aides
- Staff Feedback Surveys
 - How would you rate your PD experience:
Average of 4.58 + 4.9 / 5
 - How are we doing in providing the support you need:
Average of 4.79 + 4.95 / 5
